1. At the first traffic light intersection in BELFAIR you will see the Safeway and Starbucks on the right. Turn right onto Clifton Lane, route 300 West / Belfair State Park.  
\*If coming from Olympia it's the second light and this is where you turn left.
2. Proceed straight through the next intersection (a four-way stop; QFC will be on the left). Continue straight, past the Belfair State Park, and then along the Hood Canal for about 14 miles from the stop light in Belfair. This road eventually becomes **North Shore Drive**. (There is a right turn marked Belfair-Tahuya Road—Do not take this turn - stay on North Shore)
3. Cross the small bridge over the delta of the Tahuya River and turn **RIGHT** onto **Belfair-Tahuya Road** just beyond the bridge. A sign at the corner says "Kay's Corner." Proceed nearly a half-mile on Belfair-Tahuya Road to a fork. Bear **right** onto Tahuya River Road and drive for about a mile.

4. 2901 is one mile on the right of the road. You will see milepost 3 on the left. Look for the first sign for 2901 and then drive past that sign and go to the main entrance next on the right. Turn into the drive, park and come into the building straight ahead, "Potlatch".
